		<p>2 hours ad hoc support</p>

All prices exclude VAT and are priced per site/slot on server. Additional maintenance hours can be added to package charged at a discounted hourly rate of £40 (+vat) (normal rate £50), this hourly rate can only be used if you are using the hosting and support package. Additional hours cover ad hoc support, technical support and changes to the website which are sent through on request by client. Frogspark provide a 3 hour response time to priority 1 items, 2 day response time to priority 2 items and 5 days response time for priority 3 items.
